

**TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE**

**FISCAL NOTE**

**HB 2431 – SB 2492**

March 4, 2014

**SUMMARY OF BILL:** Directs the Comptroller of the Treasury (COT) to study the Bureau of TennCare's disease management program and determine the program's consistency with the implementation of the patient-centered medical home model under consideration as part of the payment reform initiative by the Department of Finance and Administration as a state innovation model. Requires the Comptroller to make recommendations to the desirable changes to the disease management program and the patient-centered medical home model and report its findings to the Health Committee of the House of Representatives and the Senate Health and Welfare Committee by January 15, 2015.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumption:

- According to the COT, staff has the requisite expertise to evaluate a disease management program and medical-home model. Any costs incurred to perform the required study will not be significant and can be accommodated within existing resources.

**CERTIFICATION:**

The information contained herein is true and correct to the best of my knowledge.
